Meet Mangaonkar

Engineering Student | Fr. Conceicao Rodrigues College of Engineering (Fr. CRCE), Bandra

---

Education

- **Bachelor of Engineering** in Computer Engineering
  - *Fr. Conceicao Rodrigues College of Engineering (Fr. CRCE), Bandra*
  - *Expected Graduation:* 2028

Skills

- **Technical Skills:**
  - Programming Languages: C++, Python,Javascript,HTML,CSS
  - Software: Figma,Shadcn,Tailwind
- **Soft Skills:**
  - Problem-Solving
  - Team Collaboration
  - Communication

Projects

- **Health Vault**
  - *Description:* Health Vault is a comprehensive platform designed to streamline child health management. It enables parents to securely store and access their child's medical records, track vaccination schedules, and receive automated reminders for upcoming vaccines and medications. The app features appointment booking, regional customization for healthcare services, and a locator tool for nearby affordable facilities. Each child is assigned a unique medical ID, simplifying record sharing with healthcare providers. With offline functionality, in-app tutorials, and preventive health tips, Health Vault empowers parents to stay organized and proactive. It bridges gaps in health awareness, accessibility, and compliance, ensuring a healthier future.
  - *Outcome:* [Highlight any achievements or results]
